RESOLUTION UPON THE RETIREMENT OF SUPERINTENDENT EDGAR S. STOVER FROM THE BLOOMFIELD SCHOOL SYSTEM

WHEREAS:

Mr. Edgar S. Stover, Superintendent of the Bloomfield School System for the past fourteen years, has submitted a request for retirement at the completion of his present term, June 30, 1942, and

WHEREAS:

The Bloomfield Board of Education after thoughtful consideration of this request of its faithful servant, who desires to be free from the present exacting responsibilities to pursue personal desires during the remaining years of his fruitful life, has agreed with regret and sincere appreciation, to accept his resignation.

BE IT RESOLVED:

That our Board wishes to record for posterity, highlights in the career of this distinguished and well-beloved educator.

That he came to Bloomfield in 1911 to serve as a teacher in the High School after having taught in his home State of Pennsylvania at the Edinboro State Normal School, later becoming the head of the Mathematics Department of the McKeesport High School.

That in due course his outstanding faculties for administration influenced the then acting Board of Education to elevate him to the principalship of the Bloomfield High School where he served most acceptably.

That his unusual ability as an educator and administrator prompted his appointment to the Secretaryship of the Board of Education, in which capacity he served for eighteen years.

That in October, 1928, he was appointed Superintendent of the Bloomfield School System and has served most acceptably in this capacity to date. During all of these years he has been the guiding influence in the building and carrying forward of our great school system.

That being a man of God, he has been a material factor in the moulding of high principles and strong characters, not only among the pupils who have been fortunate to secure their education during his principalship and

superintendency, but he has also been responsible in developing the best in teachers and staffs who have been privileged to serve with him from time to time.

That his great abilities during this period of service have not been limited to the school system. He has served our city in many positions of honor and responsibility and we humbly extend to him our sincere and heartfelt thanks and appreciation. To know him and to realize his great service is to love and respect him.

"Lives of great men all remind us
We may make our lives sublime,
And in parting, leave behind us,
Footprints in the sands of time."

REPORT OF SUPERINTENDENT

Office of Superintendent of Schools

Bloomfield, N. J.

June 30, 1942.

To the Board of Education,
Bloomfield, N. J.

I am presenting herewith my fourteenth and final annual report covering the public schools of Bloomfield, New Jersey, for the school year 1941-1942.

It is quite in order to say that this has been a trying year, beset by heavy demands of all kinds. Teachers became active in the National Defense work at the first call, and have maintained their interest throughout the entire year, oftentimes devoting long and tiresome hours to this work without thought of extra compensation. School buildings and personnel were used in conducting the National Registration, as well as the sugar and gasoline rationing.

Due to personal illness Mr. Joseph E. Poole, Senior High School Principal, was granted a leave of absence until his death in February, without having entered upon his duties during the year. Mr. Harry M. Rice, serving as vice-principal with Mr. Poole, was elected as principal and began his duties March 1, 1942. Mr. James K. Walklet, Principal of the Brookside Elementary School was promoted to the position of vice-principal in the Senior High School.

The Brookside and Franklin Elementary Schools were placed under one principal as of April 1, 1942, and Mr. Merrill Bigelow, who has been principal of the Carteret Elementary School was placed in charge of these two schools, and Mr. Amos G. Pennell, Principal of the Franklin Elementary School was transferred to the Carteret School.

The Senior High School faculty sustained a loss in the death of Mr. Harry T. Thorpe, which occurred during the 1941 summer vacation.

During the school year a number of our men teachers answered the call of our country by enlisting their services in war work. Mr. Neal Takala, a teacher in the Junior High School who enlisted in the Army Air Corps before the close

of school a year ago has been reported killed in action in Australia.

Mr. Henry T. Hollingsworth, Principal of the Junior High School and Assistant Superintendent of Schools has been chosen as the new Superintendent of Schools and will begin his duties as of July 1, 1942.

The close of the school year brings with it my retirement along with five teachers, namely: E. Ruth Palmer, Supervisor of the Art Department; Anna P. Thomas, art teacher in the Senior High School; Maude L. Tuller, instructor in our Opportunity School; Mabel G. Padgham, teacher of sewing in the elementary grades and Beatrice M. Wood, a teacher in the Fairview School. All of these teachers served the youth of our town long and faithfully, and legion are those to whom they so earnestly ministered.

I wish to express to the Board of Education my sincere appreciation for every consideration shown me during my service in the Bloomfield Public School system, and to the teachers and all other school employees who have been most loyal and helpful.

Respectfully submitted,
EDGAR S. STOVER, Superintendent.

SCHOOL SAVING FUND

The following report from The Bloomfield Savings Institution is most gratifying. In addition to the regular weekly savings plan carried out throughout the school system, the urge to invest in Defense Bonds and Stamps was met in a most commendable manner. Our records indicate that the pupils made large investments without unduly affecting their regular established savings.

The Bloomfield Savings Institution has for many years been the motivating factor in our school saving plan, and much credit is due this institution.
